February 16, 2000

Sir:

Prior to examination, please amend the above-referenced application as follows:

IN THE CLAIMS

Please cancel claim 1 without prejudice or disclaimer of the subject matter thereof.

Please add new claims 13 and 14 as follows:

13. A method of achieving electronic business transactions in an electronic business transaction system including a plurality of member sites, a center site, and a network to connect the member sites and the center site to each other, said method comprising:
storing information of open businesses issued by a plurality of member sites to find business partners in an open business information database in said center site;
